Kill To Save

> <meta name="Generator"> Kill to Save

Kill to Save

We kill to save

Kill Yeerks to save people

Kill people to save people

Killing to save

Does it make any sense at all?

Is there any way to save humans

Without killing?

Can't we compromise?

No. Instead we kill.

Do they deserve it?

Yes.

Do the hosts deserve it?

No.

So we kill both

The Yeerks die for humanity

The hosts die for nothing

The Hork-Bajir die

But they are helpless

Unable to control themselves

The humans die

Die for what? For what?

The fault of the Yeerks

The Taxxons die

But perhaps they deserve it

The allies of the Yeerks

It still makes no sense

Kill to save

End
file.
